

## **Senior Pick-up Service**

King George Sheriff's Office will be implementing a program to assist at-risk populations as part of our COVID-19 response.

King George Sheriff's Office will pick-up and deliver medications and essential items from the Dahlgren Walmart to citizens over age 60 and those with disabilities who reside in King George County. Be advised that all items must be paid for either online or by phone prior to being picked-up and delivered. Medications containing controlled substances are not eligible for this service.

Between 7:00 A.M. and 5:00 P.M. - Monday through Friday, citizens in need of this service may call our office's non-emergency number at (540) 775-2049.

Know that CVS offers free delivery of prescription medications and therefore is not included in this program.
